GIS Data Acquisition and Map Design

Spatial Analysis and Satellite Imagery in a GIS

GIS, Mapping, and Spatial Analysis Capstone

UNIVERSITY OF TORONTO

Sep 4, 2024

Rahul Ashok Jeyalakshmi

has successfully completed the online, non-credit Specialization

GIS, Mapping, and Spatial Analysis

This Specialization is for those new to mapping and GIS, as well as anyone looking to gain a better understanding of how it all works and why. You will learn practical skills that can be applied to your own work using cutting-edge software created by Esri Inc., the world's leading GIS company and our industry partner.

Don Boyes
Professor, Teaching Stream
Geography and Planning, UToronto

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
